October Meeting

The October meeting will consist of putting together the packets for the exhibitors at our show. Also, please bring **SHOW AND TELL** and we will make time to show all of them.

SHOWTIME!!

Fall is here again and all eyes turn to Artistry in Wood – 2014. Only days away now, our annual show is almost ready to open the doors and welcome woodcarvers from all over; however, there is still much work and organizing to be completed in the next days. As normal, we will not have a program at our October meeting but rather we can get much of the prep-work started, including the packets, volunteer assignments, etc. There will be a work crew gather at the fairgrounds after lunch on Friday (the 17th) to set the up tables and generally get things ready. Actual setup for the exhibitors and vendors will start around three o'clock, once all the table assignments are completed and the spaces are ready for their occupants. This takes quite a few volunteers to physically move things around and help those who need help setting up individual spaces, the club tables, and the judging area. Anyone willing to devote a little time for this will surely be welcome.

Club Shirts

Tim and Barbara Hataway have had a digitized image made of our club logo at Personal Touch Monograms at 201 East Ayers in Edmond. Phone number is 348-3511. It is close to UCO just off of Boulevard. You provide the shirt and they will do the monogram for \$15-\$18 per shirt. We have had 2 shirts a piece done and have some long sleeved khaki shirts there now to use as shirts/jackets. They have done a wonderful job. If you want more information, just let us know and we will help you out. Our phone number is 405-348-5681.

Quimby Enterline

Quimby Enterline, longtime woodcarver and door greeter at our monthly meetings recently celebrated his 90th birthday. His friends from the Edmond Historical Society and Museum picked him up and took him to the museum for a party. Quimby has had to quit the museum and has moved to Bradford Village in Edmond and is in long term care there. He no longer drives himself. He loves to have visitors and enjoys telling stories. His legs have given out and he needs help to get around and is now using a wheelchair. Visit him if you can. He is in room 609 and it is located at 906 N. Boulevard St., Edmond, OK 73034.

Tim's Table at the Arkansas Show

Northwest Arkansas Woodcarvers Club's Show

Tim and Barbara Hataway went to Arkansas show on September 13th and 14th in Rogers, Arkansas. They had great crowds and Tim won several ribbons. Richard and Leanne Dalke also came by and bought some raffle tickets. Richard won a nice wood carved plate that had dogwoods on it. I, (Barbara) also won a beautiful carousel horse that one of their members had carved and painted. Two of their members are signed up to come to our show, including their show chairman/president. They were very nice to us and made us feel very welcome.

Elaine Nealey's Class

Elaine Nealey's Class

Many of our members and some non-members, attended Elaine's woodburning class at First Baptist Church in Oklahoma City. She was kind enough to do two classes for us so that all who wanted to take the class could. Thank you Elaine, all enjoyed your class and were very complimentary of their teacher.
