## MAY PROGRAM

This last month's program was presented by **Ralph Green**, who talked about and demonstrated his intarsia, scroll saw work, and spoons. We appreciate Ralph bringing his expertise in these areas to show to our members.

## **July Program**

For the July program, Tim Hataway will be teaching the class. He will do hands on instruction carving eyes. Bring your tools and Pete Zackry has graciously provided the wood for everyone to use. Tim has taken many classes from several instructors and he will share what he has learned from them with our club.

**OCWC PATCHES**

In the April meeting, the club voted to allow John Amicon to find a vendor to make more of our club patches. The members voted to spend up to \$350 on the patches. That money will be recovered with the sale of the patches. Thank you John for being willing to get the OCWC patches for the club. The patches will probably be available to purchase by the July meeting. Thank you to John Amicon, for taking care of this chore for the club.

**Wichita Show Results**

*James Hooper, D.J. and Mary Boyce took their carvings to the Wichita, KS show and brought back some ribbons. The star of the show was Phil Bishop of Elk City, OK who won best of show and many other ribbons.*

***Sympathy to the Boyce Family***

*Our sympathy goes out to D.J., Darlene and Mary Boyce and in the loss of their son and brother James. The club made a donation to Faith Baptist Church in his honor.*

**JUNE PROGRAM**

For the June program bring a carving you did not carve. It can be a carving you bought from an instructor or maybe won as a door prize or one you bought while traveling and tell the story behind it. This will not take the place our regular show and tell, so bring what you are working on or have finished for "Show and Tell."

**JUNE AUCTION****Books and Wood Sale Auction**

Shelby Davis (a long time member of the club) has moved into an assisted living facility and has donated all his books and wood to the club. He also has Foredom tool that will be sold at auction in June too. All income from the auction will be given to the club which is Shelby's wishes.

**Program for August – Auction**

Bring anything you have that other club members might like to have. All proceeds from this auction will be given to the club to help with costs of our show in October. No item will be sold for the profit of the carvers.

**Nativity Scene for Drawing at the OCWC show October 31-Nov. 1<sup>st</sup>**

We still need people to pick up pieces of the nativity scene to be carved. For those who have already been carving on theirs, please have them ready to turn in by the August meeting. The scene will be a natural finish so no painting is involved. If you would like to carve one of the pieces please see Steve Brandt to get one. Tickets will be sold at the fair and the nativity will be displayed at the fair.
