**FEBRUARY PROGRAM-DJ BOYCE**

DJ Boyce will be presenting our program in February. He will show us how he constructs the boxes he makes and will also be showing us how he puts the patterns on them for his chip carvings. DJ has made and sold a lot of chip carved boxes and has a lot experience in doing them. Come and enjoy his presentation. I'm sure we can all learn a lot from him.

**2016 CLUB DUES**

**Remember the dues are still only \$24.00 per year for a family membership. John Amicon will accept your cash or check at any time. Thanks for taking care of this club business in a timely manner.**

**AFFAIR OF THE HEART**

Once again, the Affair of the Heart committee has invited our club to demonstrate and show our woodcarving. This is a great opportunity for us to show the public our art. The dates are February 5, 6, and 7<sup>th</sup> and we can still use some more volunteers. Please call Steve Brandt at 464-2066.

**DEMO AT WOODCRAFTER'S STORE**

James Hooper and Pete Zachry did a woodcarving demonstration at our local Woodcrafter's Store on January 9, 2016. Several people came to see the demo and were interested in our art. One couple bought tools and wood and said they would be back to learn more. Several people showed interest in the art of woodcarving. Thanks to James and Pete for giving of their time to promote our woodcarving.

**We are now taking nominations for 2016 Vice President. Bill Medina is unable to take this office due to health issues. You may give nominations to any officer.**

### History Needs Help

By Pete Zachry

The Club History records include photographic records of the Artistry in Wood shows from 2000 through 2015 on CD ROM with the exception of the three years 2009 through 2011. If any club member has a copy from these years on a CD, please make a copy available for the History Files.

It was decided that copies of Chip Chats that have reported on the Club's Annual Woodcarving Show would be an excellent addition to the History Files. Please check your back issues for possible donation. Years prior to 1996 will be of particular interest; however, later years will likely be needed, also. It will be decided later if the full issue will be kept or only the pages containing the Club's Show Report.

Anyone who may be of help with these items should contact Pete Zachry, our Club's current Historian, any Club Officer, or simply bring the item to a future Club meeting.

An additional note should be made those photographs of past shows that are bound in ring binders will be displayed at the next meeting. Anyone wishing to keep photos of their carvings or themselves will be welcome to do so.

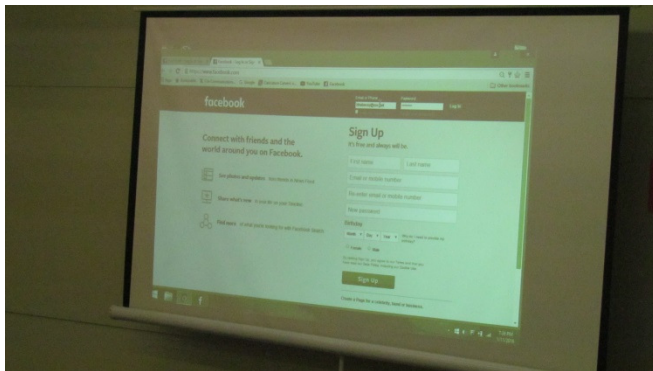

Other items that are of particular interest to the Club History are old rosters, newspaper reports, or other material relating to the Club's activities – past, present, and future. Your help with these matters will be greatly appreciated for years to come.
